

STORAGE CRATES AND CONTAINERS

Mr Shelf products fall into the following categories i.e. Jumbo Bins, Environmental Refuse Bins, Storage Bins, Secure Plastic Containers and Storage Crates & Containers.

Each category offers practical, durable systems that are designed to function efficiently under the challenging conditions found within the Southern African retail, industrial, agricultural and environmental markets.

Using a multi-focus team approach, the sales, marketing and manufacturing departments are fully integrated and trained to find solutions that meet the customer's needs and expectations.
